

"Ides of March Bring Tides of the Atlantic"

(...but not a hurricane!)

Saturday, March 27, 2010

The Highland Club at YMCA

8100 YMCA Plaza Drive, Baton Rouge, LA 70810

Presenter:

Peggy Gray

8:30a - 11:30a "Conceptual Accuracy: Opening of the Atlantic...Was it closed?"

Conceptual accuracy is a skill that develops through top-down processing. Come steer away from the automaticity of the vernacular to the pragmaticism of conceptuality. Learn to recognize that the 'opening' is not always a 'doorway'. Let's take this 'opportunity' to get together and explore this skill with hands on activities!

11:30a - 1:00p: Business Luncheon (lunch will be provided by LRID)

1:00p - 4:00p "Ethics in Practice"

Feeling a little daunted by the Professional Code of Conduct?? This is the training for you! Using sample scenarios participants will work on their decision-making skills related to ethics on practical situations. Come join us for some "mind-on" application of the Professional Code of Conduct! Feel free to bring your own scenarios on a 3 X 5 card...no names please.
